Week 9 Term 4

From the Classrooms

Smart Pancakes

Wow! What an amazing year!

Thank you to all the students for making this such a fun year. Finished off with a fabulous camp to Tanunda with some great activities. The students were well behaved and we could not have wiped the smiles off their faces if we tried.

I big thank you to the parents who have helped out regularly with excursions, driving students, school events, toast mornings and more.

Well done to the students who have worked hard all year and achieved higher reading levels, learnt to write their name, learnt routines and made other people feel welcome when they arrived at our school as a new student.

Thank you to all of the staff who have worked together so well this year. We are going to miss Brooke as she moves on to another teaching position in 2019. Best wishes to the year 7's who are leaving us to go to high school next year.

Wishing you all a very Merry Christmas and I look forward to seeing you all next year.

Kylie and the Smart Pancakes

To Parents, Students, the

Community and Staff at Tarlee Primary School

I would like to thank everyone for making my time at Tarlee Primary so memorable and so great. There are so many of you that I have had the pleasure to get to know really well, and who have made a positive impact on my journey.

To all the parents, families and carers, it has been a blessing to teach and educate your children, and I wish everyone of them the best on their learning journeys.

To my students, you have filled my time with so many laughs, adventures and discoveries.

I'm so proud to have been your teacher! Keep on learning and challenging yourselves.

Thankyou to the Tarlee community for being so welcoming and so supportive of our Primary School and students.

And last, but not least, Thankyou to all the staff I have got to know and have worked with. I will miss you all and all your support

SMART PANCAKES NEWS

A Christmas story - By George, Taite, Alex 3/12/2018

This story was created from rolling the dice and choosing the prompts below. The students then had to come up with the story line using the key characters, places and events.

Santa Claus, Santa's helper, one snowy morning, the North Pole, something has been forgotten.

Once upon a time Santa Claus was busy at the North Pole. He was getting ready to fly his sleigh to start his present deliveries. It was a snowy morning after a stormy night and Santa was rushing to go. Santa hooks up the reindeer to his sleigh and takes off. Santa was on his trip but it was not right, something was missing. He thought.....oh no, Rudolf is missing. Just then there was another big storm, almost a hurricane. The presents got pulled out the sleigh by the wind, but as magic would have it, the wind put all the presents at the right homes.

Santa fell out of the sleigh and landed on his back in the snow. All of Santa's helpers heard Santa yelling and came out to help. They all got out of the hurricane and Santa did some magic and everything settled down and they lived happily ever after.

Christmas Raffle

Our Christmas Raffle this year raised \$415.40

Congratulations to all the winners

Our prize winners were as follows

1st Pam Hill

2nd Marie Cutting

3rd Robbo

4th Kay McInerney

5th Jenny Hambour

Play Group

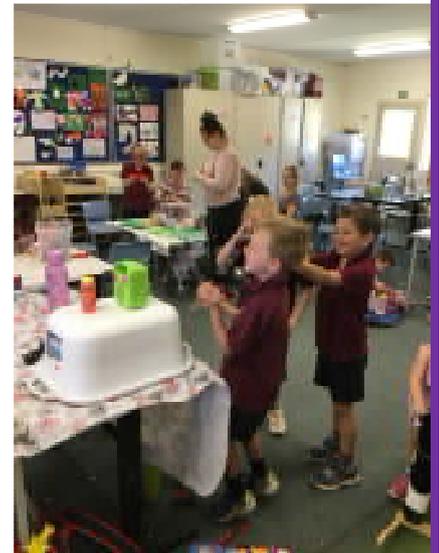

Everyone had a fantastic time at our end of year break up party last week at Play Group.

We all had fun playing with bubbles, making Christmas crafts and sharing our wonderful party food with the school students who came to join us for the end of our party.

Hope you all enjoy looking at the photos and we look forward to seeing you all again next year.

Wishing everyone a safe and happy holidays.

Marie
